I HAVE READ, UNDERSTAND AND ACCEPT THE FOLLOWING:

- Jet Set World Travel will make every effort to honor the price as originally quoted, however, under certain circumstances additional costs by a supplier or government may be imposed due to an increase in the cost for one or more of the travel components.
- Flight confirmation is subject to availability and prices are subject to change after the date of deposit, including price increases in the price of a seat, price for baggage, applicable fuel surcharges, or an increase in a government imposed fee or tax.

- Once purchased, US air transaction prices will not increase, except for potential charges resulting from government imposed taxes or fees. I consent to pay for such charges and authorize Jet Set World Travel to charge my credit card for such additional amounts. This consent applies to all travel arranged by Jet Set World Travel at my request, that includes US scheduled air transportation, and may be revoked at any time with respect to future travel for which I have not yet made payment. Five (5) years following the date of execution, this consent expires.
- Certain suppliers reserve the right to increase prices to cover increased costs, fuel surcharges, tariffs and taxes, and to reflect fluctuations in foreign exchange markets.
- I have reviewed and accept Jet Set World Travel's Fee Structure on behalf of myself (and anyone in my party).

I acknowledge and accept there are cancellation policies, change fees, and penalties that apply to my travel plans and services, which have been provided to me in writing. I agree to all such cancellation policies, change fees, and penalties, and understand unused portions of travel vouchers are non-refundable.

If for any reason my credit card charges are later declined, reversed, or Jet Set World Travel is unable to receive payment for the travel plans and services, I acknowledge that this is a binding contract between myself and Jet Set World Travel, and Jet Set World Travel shall be entitled to recovery, including reasonable attorneys' fees in connection with collection.

TRAVEL PROTECTION

Jet Set World Travel offers many optional products and services to enhance every travel experience. Options such as travel protection help protect passengers and their investment, but are NOT automatically included in the cost of an itinerary to protect against third party default, delay, trip interruption, trip cancellation, emergency medical expenses, emergency medical evacuation/repatriation, baggage loss, baggage delay, and more. A travel insurance quote will be provided once the initial trip deposit is made.

PLEASE SELECT YOUR CHOICE BELOW:

YES, I would like to purchase travel protection. Prior to purchase, you may request a copy of the applicable Description of Coverage, which includes a summary of the plan details, including the benefits, coverages, limitations, and exclusions.

NO, I understand my trip cost DOES NOT include travel protection, and choose to decline the travel protection plan.

Jet Set World Travel's staff are not qualified or authorized to answer questions about benefits, coverages, exclusions, or conditions of any of the protection plans offered, nor to evaluate the adequacy of the prospective insured's existing insurance coverage. For more information on the recommended plans, please call the number included on the travel protection quote provided by your travel advisor.

*****IMPORTANT NOTE:** To be eligible for the waiver of pre-existing medical condition exclusion, the protection plan must be purchased within 14 days from the time you make your initial trip deposit. However, the plan can be purchased any day prior to departure. Review in detail the applicable Description of Coverage for a summary of the plan details, including the benefits, coverages, limitations and exclusions. The purchase of travel protection is not required in order to purchase any other product or service offered by Jet Set World Travel.

MEDJET ASSIST

Jet Set World Travel also recommends MedjetAssist's air medical transport service. If you are more than 150 miles from home and require hospitalization, MedjetAssist protection helps to bring you to the hospital of your choice. Even in countries with modern medical care, a serious illness or accident can put a terrible strain on families. We are happy to provide you with more detailed information as well as coordinate your MedjetAssist membership.

YES, I agree to purchase an air medical transport membership from Medjet Assist. Please have my travel consultant contact me with further information on Medjet Assist and the NEW Medjet Horizon program.

NO, I understand my trip cost DOES NOT include air medical transport membership from Medjet Assist, and choose not to purchase coverage.

Among the consequences of declining to purchase adequate travel protection, I understand if I cancel or interrupt my trip for any reason, portions of this trip may not be refundable and supplier cancellation penalties will apply resulting in the loss of monies up to the full cost of my trip investment.

Travel documents, including passports, visas, and health/vaccination certificates required are your responsibility. Valid Passports are absolutely required for all international destinations and the expiration date should be at least 6 months following the return date of your trip. Some countries require that your passport have two to four blank visa/stamp pages. Some airlines will not allow you to board if this requirement is not met www.travel.state.gov/content/passports/en/passports/FAQs.html. When travelling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry at least two forms of acceptable identification in order to board a flight www.tsa.gov/traveler-information/acceptable-ids. Examples: DHS-designated enhanced driver's license, USA Passport, a foreign government passport. The name, date of birth and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. Additionally, a visa and vaccinations may be required. Please note that even when a visa is issued, a traveler may be denied entry since each country's local immigration officials make the final entry decision. Several factors including past criminal record may contribute to the decision of the local immigration official(s). Should a visa not be issued, Jet Set World Travel is not responsible for lost payments made toward the contemplated trip. If traveling to or through Canada, travelers with a Driving While Intoxicated (DWI) or other conviction record should always check whether current rules exclude admission. Jet Set World Travel feels it is an invasion of privacy to make such an inquiry. The final decision of entry rests with the immigration or border services officer. For more information see: www.cic.gc.ca/english/information/faq/inadmissibility/index.asp and www.immigrationfacts.ca/enter-canada-with-dui-or-dwi. Visit the USA State Department Web site www.travel.state.gov on a regular basis for information regarding incidence of disease, terrorism, safety issues, crime, the need for travel documentation (such as passports, visas, proof of health/vaccination certificates), health hazards, and other restrictions regarding travel to your domestic and/or international destination(s), and re-entry into the United States. Required or advised inoculations you decide to obtain upon the advice of your personal physician may need to be administered in a series of doses months ahead of your planned departure and such time element should be taken into account by you when making deposits and/or nonrefundable final payments. Visit the websites of the USA Centers for Disease Control www.cdc.gov and the International Society of Travel Medicine www.istm.org.

Travel to certain destinations may involve greater risk than others. Jet Set World Travel urges customers to remain informed on a daily basis as to current news, as well as to review travel prohibitions, warnings, announcements and advisories issued by the United States Government prior to booking travel to international destinations. Information on conditions in various countries and the level of risk associated with travel to particular international destinations can be found at www.state.gov, www.tsa.gov, www.dot.gov, www.faa.gov, www.cdc.gov, and www.cbp.gov.

The Smart Traveler Enrollment Program (STEP) is a free service provided by the U.S. Government to U.S. citizens who are traveling to, or living in, a foreign country. STEP allows you to enter information about your upcoming trip abroad so that the Department of State can better assist you in an emergency. Registration is recommended and provided by going to www.step.state.gov/step.
